Utilizing drop count titration and color disc colorimetry, the Model AL-36B Test Kit is designed to meet the special needs of fish and wildlife conservation personnel.

**Extremely versatile, popular kit, designed to meet the needs of fish and wildlife conservation personnel**

**Determine pH colorimetrically using a color comparator with color disc; all other tests use easy, drop-count titrations**

**Kit contains all required reagents and apparatus in a rugged carrying case for analysis in the field**
